

# DAFTAR PROGRAM ERASMUS YANG PERNAH DIKUTI MAHASISWA INDONESIA DI POLANDIA

## 1. Erasmus+ Higher Education Student and Staff Mobility

The **Erasmus+ program** (European Union programme for education, training, youth and sport) is managed by the European Commission (the EU's executive body), the Education, Audiovisual, and Culture Executive Agency (EACEA), a series of National Agencies in Program countries, and a series of National Offices in some Partner countries.

Erasmus+ brings such opportunities to students, staff, trainees, teachers, volunteers and more. For students, it offers the possibility to study or gain work experience in a different European country while completing a degree. It's not just about Europe or Europeans either - with Erasmus+, people from all over the world can access opportunities.

## 2. Erasmus Mundus Smartlink

<https://smartlink-edu.eu/>

**“SmartLink:** South-East-West Mobility for Advanced Research, Learning, Innovation, Network and Knowledge” project is funded under Erasmus Mundus Action 2 (EMA2) – Strand I - Call for Proposals EACEA/18/13. The SmartLink consortium has 20 partners and 5 associates covering large geographical regions of EU and South Asia. The project has representations from 8 European (UK, Germany, France, Poland, Bulgaria, Cyprus, Greece and Portugal) and 11 Asian countries (Afghanistan, Bangladesh, Bhutan, India, Indonesia, Maldives, Nepal, North Korea, Pakistan, Sri Lanka and Thailand). The project is coordinated by Professor Keshav Dahal of the Artificial intelligence, Visual Communication and Networks (AVCN) research centre at the University of the West of Scotland (UWS).

SmartLink focuses on fostering international cooperation between European Higher Education Institutions (HEIs) and HEIs in emerging Asian countries through the promotion

of mobility at all level of studies for **Undergraduate** students, **Masters** students, **PhD** candidates, **Post-doctoral** researchers, **academics and administrative staff**. The aim is to strengthen the existing partnership and foster new partnerships by realizing 160 research staff and students mobility in both ways. The project will support 116 mobility from Asia to Europe (29 UG, 26 PG, 23 PhDs, 13 PostDocs and 25 staff), and 44 mobility from Europe to Asia (3 UG, 3 PG, 6 PhDs, 7 PostDocs and 25 staff).

Durasi program:

1 Tahun
